America's Foremost Martial Arts Centers  
Martial Arts for everyone!

## Karate Birthday Party

At Villari's, we want children to have a great time on their birthday. We provide a group martial arts lesson for all who attend the party. This is a fun filled class with the birthday child being the leader of the party (Please let us know in advance if this interests you). While having fun and playing games, such as Villari's says, blocking dodge ball, and Shaolin animal relay races and shuttle runs or if the birthday boy/girl has a special game that they like we can also play that game.

We have many games that we play, and the birthday person and guests can choose the games. We structure the games based on the age of the party pals. Whether the student is 5 or 15 we have the right games for them. They always have fun! Below you will find all the information you need to plan your child's party. If you have any questions, please feel free to call. 508-653-2137

All guests will receive a Free Trial Program just for attending the Party (provided they are not already students of Villari's Martial Arts Studio).

### Structure of the Party

- Beginning of the Party - A game that introduces everyone.
- A basic martial arts lesson for all children to learn some martial arts moves.
- Play several martial arts style games.
- A relaxing exercise is done before we sit down and have any food and cake.
- The children usually then eat Birthday Cake.
- If time permits a going home game.
